3mt Fridge Trailer

HF030

Optional Extras

- Polypropylene shelving
- Wheel clamp

An Icebox Fridge trailer is ideal if you have a need for temporary, emergency or portable cold storage solutions. With a temperature range of +10 to -20° Icebox fridge trailers can be used as fridge or freezer.

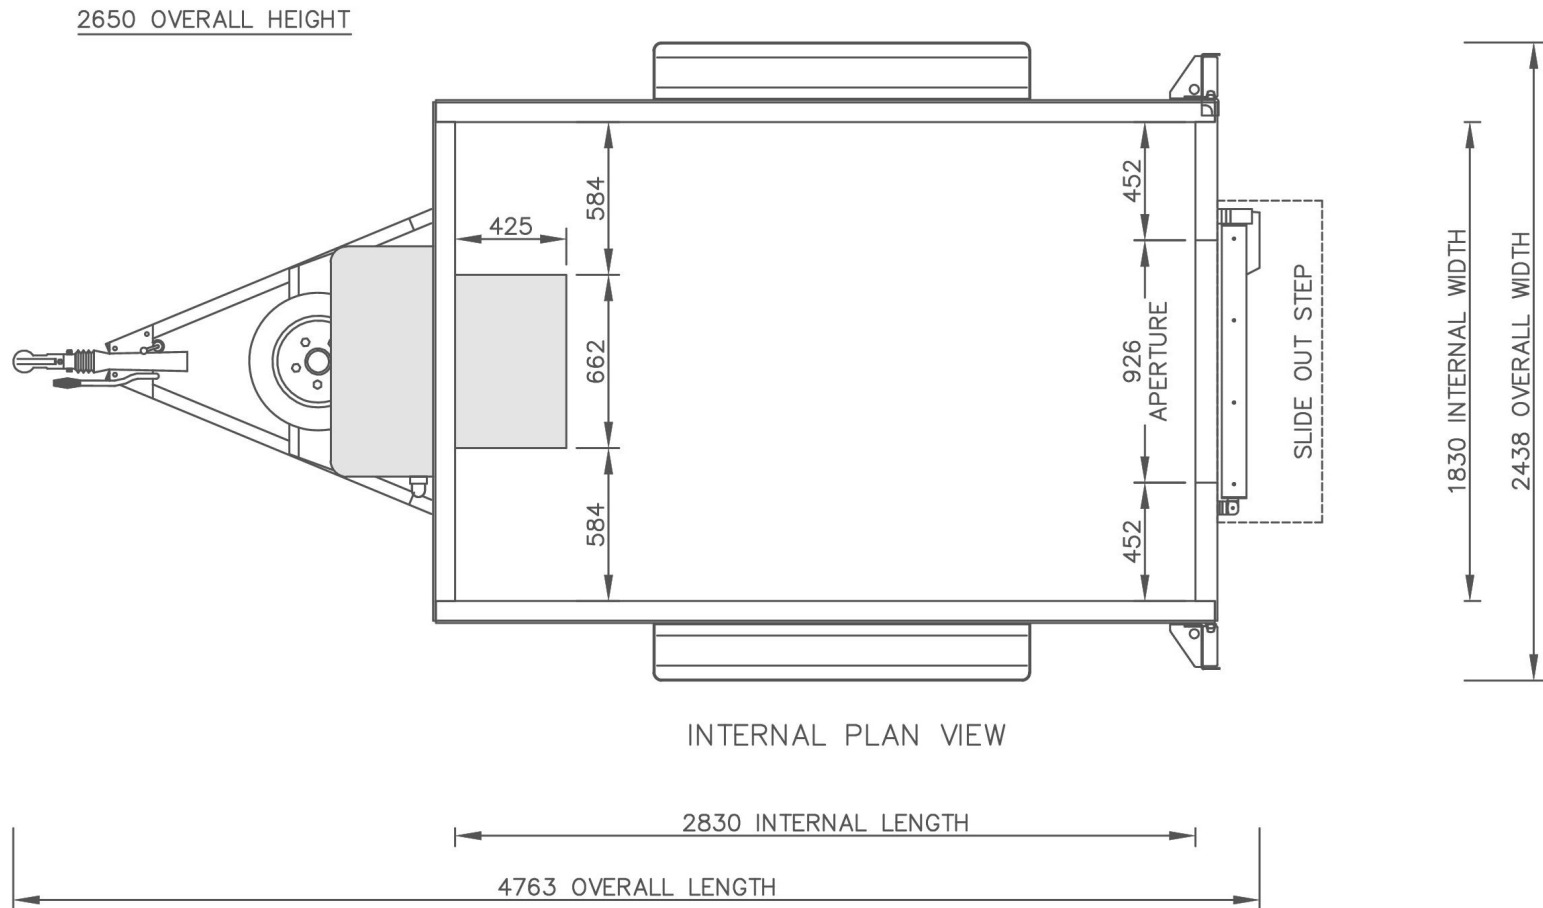

All trailers have an automatic interior light and the chiller automatically switches itself on or off when the door is opened or closed.

There is a slide out step below the access door and a pair of rear drop legs to stabilise the trailer on site.
