## Optional Extras

- Branded Display wing panel
- Branded logo board panel
- Vinyl wrapping
- Variety of slat wall shop fittings

A large trailer with room for plenty serving staff alongside lots of stock storage below counter height.

There is slat walling above the counter to the off side to which can be added a large variety of shop fittings to help display stock items.

A logo board and a pair of display wings allow for additional branding and a high visual impact to help make potential customers aware of your presence.
